Join our vibrant medical community, where passion meets purpose, and together, we shape the future of healthcare.

AWARDED BY PRESIDENT

Message from Rector

Prof. Uzenov K.J.

As the Rector of Jalal-Abad State University Named After B. Osmonov, it is my privilege to extend a heartfelt welcome to all prospective students, particularly those considering our esteemed Medical University (JASU). With a steadfast dedication to excellence, JASU is committed to shaping the future of the medical community through rigorous academic programs, cutting-edge research, and hands-on clinical experiences. To our upcoming international students, I extend a special invitation to join our diverse and vibrant academic community, where cultural exchange enriches the learning experience for all. At JASU, we believe in the power of education to transform lives and communities, and we eagerly guide aspiring individuals to join us in our mission of serving humanity on a global scale. Together, let us embark on a journey of discovery, growth, and service, where each student's unique talents and aspirations contribute to a brighter and healthier future for all.

Nestled in Jalal-Abad, our university offers a state-of-the-art campus with world-class facilities, from modern lecture halls to advanced laboratories, ensuring an enriching learning environment for all students.

With a strong focus on practical training and global medical standards, we prepare students for successful careers worldwide.

A vibrant campus life, modern hostels, and a multicultural environment make every student feel at home."

About JASU

6.

Welcome to Jalal-Abad State University, where excellence meets comfort. Established with a vision to nurture future leaders in healthcare, our institution stands as a beacon of academic excellence and innovation in the heart of Jalal-Abad. At Jalal-Abad State University, we are committed to providing a transformative learning experience that equips students with the knowledge, skills, and values needed to thrive in today's rapidly evolving healthcare landscape.

Our campus is designed to foster both academic and personal growth, featuring modern infrastructure, advanced laboratories, and experienced faculty dedicated to student success. We emphasize hands-on clinical exposure, research opportunities, and a globally aligned curriculum to ensure our graduates are well-prepared for international medical standards. With a safe, student-friendly environment and a vibrant multicultural community, we create a home where aspiring doctors can learn, grow, and achieve their dreams.

With a diverse community of students and faculty from around the globe, we celebrate the richness of cultural diversity and foster an environment of mutual respect and understanding. Our comprehensive curriculum, led by experienced and dedicated faculty members, emphasizes a holistic approach to medical education, blending rigorous academic training with hands-on clinical experience.

Commitment to compassionate patient care. Whether you aspire to become a clinician, researcher, or healthcare leader, Jalal-Abad State University offers a supportive community, world-class resources, and endless opportunities for growth and exploration needed to turn your aspirations into reality. Join us and embark on a journey of discovery, innovation, and service to humanity at Jalal-Abad State University.

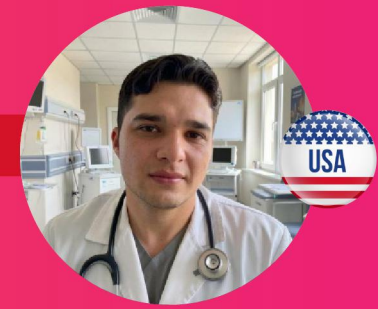

Why Choose us?

Choosing Jalal-Abad State University is not just a decision; it's an investment in your future as a healthcare professional. With an affordable fee structure that ensures accessibility without compromising on quality, we believe education should be within reach for all aspiring medical professionals. Moreover, our institution is recognized by esteemed global organizations such as the World Health Organization (WHO) and is listed in the World Directory of Medical Schools (WDOMS), making our graduates eligible for international licensing exams like FMGE/NEXT in India, USMLE, and PLAB.

In addition to our prestigious global recognition, Jalal-Abad State University is proudly accredited by the International Agency for Accreditation and Rating (IAAR), reflecting our commitment to continuous academic excellence. With an Indian student-friendly environment, dedicated FMGE/NEXT coaching support, and a curriculum aligned with NMC guidelines, JASU ensures that students are well-prepared for medical practice in India and abroad. Every year, our students successfully qualify the USMLE and move forward to pursue their medical careers in the USA, showcasing the global standard of education we provide. Choose us and begin your journey toward becoming a globally competent doctor.

OUR STUDENTS ARE SHINING ACROSS THE GLOBE

Aligned with Kyrgyzstan and Indian government regulations.

Scholarship Program

in association with
Doing Good Charity Foundation

At Jalal-Abad State University, we are committed to fostering academic excellence and ensuring accessibility to quality education for all our students. Through our collaboration with the Doing Good Charity Foundation, we proudly offer a robust scholarship program that aims to support deserving students in pursuit of their medical education dreams. Each year, this scholarship initiative awards substantial financial assistance totaling up to \$75,000 to JASU students, empowering them to overcome financial barriers and focus on their studies with renewed determination. This partnership exemplifies our shared commitment to making a meaningful impact in the lives of our students, providing them with the resources and opportunities they need to excel academically and realize their full potential as future healthcare professionals.

Empowering dreams through education Together with

“Empowering aspiring physicians to bridge borders and achieve licensure success with confidence through specialized FMGE coaching at JASU.”

Licencing Exam Classes

At Jalal-Abad State University, we understand the significance of licensing exams for our students' career aspirations. That's why we offer specialized coaching classes tailored to prepare our final year students for success in exams such as the Foreign Medical Graduates Examination (FMGE) and other licensing tests required for practice in their home countries. These coaching sessions are led by esteemed guest lecturers hailing from countries like India, Pakistan, and beyond, who bring with them unparalleled expertise and experience in navigating these rigorous examinations. With a curriculum designed to cover all essential topics and strategies, our coaching classes provide students with the confidence and knowledge needed to excel and embark on their professional journey with assurance.

Through our comprehensive coaching program, students not only receive academic guidance but also gain valuable insights into the nuances of medical practice and licensure in their respective countries. Our dedicated faculty and guest lecturers are committed to equipping students with the skills and resources necessary to navigate the complexities of licensing exams successfully. At Jalal-Abad State University, we are invested in the success of our students, ensuring that they are well-prepared to embark on their medical careers with confidence and competence.

“

Dr. Anjali

NEET PG Rank Holder

★★★★★

Jalal-Abad State University gave me not only quality medical education but also constant guidance and support throughout my journey. The faculty, curriculum, and FMGE-focused preparation helped me build strong concepts and confidence. Because of the training and academic environment at JASU, I was able to clear both my FMGE and PG entrance exam in my first attempt, which is very difficult for foreign medical graduates. I am truly grateful to the university for helping me achieve my dream of becoming a doctor.

”

“

Dr. Yashoda

NEET PG Rank Holder

★★★★★

Jalal-Abad State University has been like a second home where I received excellent education, support, and motivation from the faculty and friends. The university focuses on strong academics, clinical knowledge, and FMGE preparation, which helped me succeed in my medical career. With the support and guidance from JASU, I cleared both FMGE and my PG entrance exam in my first attempt, which is a big achievement for any foreign medical graduate. I will always be thankful to the university for shaping my future.

”

“

Dr. Durgi Srinivas

★★★★★

Jalal-Abad State University was truly a home away from home for me. The faculty members at JASU not only imparted knowledge but also provided unwavering support and encouragement, making me feel like a part of their family. Their dedication and guidance played a pivotal role in helping me achieve my dream of becoming a doctor. As I embark on the next phase of my career, I will always cherish the memories and friendships made at JASU, and I will forever be grateful for the nurturing environment that shaped me into the physician I am today. I will undoubtedly miss JASU dearly.

”

“

Dr. Ekansh Singh

★★★★★

Jalal-Abad State University not only provided me with top-notch medical education but also unwavering support in my journey to becoming a doctor. From comprehensive curriculum to personalized guidance, JASU stood by me every step of the way, ensuring that I was well-prepared for the FMGE and beyond. Thanks to the dedicated faculty and resources at JASU, I am proud to say that I've achieved my dream of practicing medicine, and I am forever grateful for the invaluable experience and opportunities provided by this esteemed institution.

”

“

Dr. Akhila Reddy

★★★★★

I belong to Hyderabad, and choosing JASU was one of the best decisions of my life. The university provided me with quality medical education, strong FMGE-focused preparation, and constant support from highly experienced faculty. Along with academics, campus life was amazing—we had great days filled with events, celebrations, concerts, and unforgettable memories, making it truly fun with education while pursuing MBBS. Because of the supportive environment and training at JASU, I was able to build confidence and achieve my dream of becoming a doctor. I am truly grateful for this incredible journey.

”

“

Dr. Harshita

★★★★★

Jalal-Abad State University gave me not only quality medical education but also constant guidance and support throughout my journey. The faculty, curriculum, and FMGE-focused preparation helped me build strong concepts and confidence. The university also provides a very safe and comfortable environment for girls, along with excellent hostel and campus facilities. I am truly grateful to the university for providing the best environment for FMGE preparation and helping me achieve my dream of becoming a doctor.

OUTSTANDING FMGE RESULTS

“Every year, the numbers are increasing,

2026 JAN INTAKE RESULTS

Hostel Facility

Our fully furnished hostel provides a safe, comfortable, and homely environment for students, with separate hostels for boys and girls. Each room is equipped with essential furniture, study space, heater for winter, and clean, hygienic washrooms. The hostel campus is secured with 24/7 security guards and CCTV surveillance to ensure student safety at all times. Water dispensers, indoor games, garden areas, and common spaces create a comfortable and student-friendly living environment.

Along with a 24/7 open dispensary and nearby gym facilities for health and fitness. Indian cafes, grocery stores, and salons are located close to the hostel for daily needs and convenience. University transportation buses are available for easy travel between hostel, campus, and hospital, making hostel life safe, convenient, and comfortable for all students.

Mess Facility

Students are provided with Indian mess facilities serving quality food prepared by experienced Indian chefs. All spices and masalas are specially sourced from India to maintain authentic Indian taste and consistency. Hygienic cooking standards are strictly maintained, and students are served fresh meals three times a day. Special festive meals are also prepared during Indian festivals, making students feel at home even while studying abroad.

Extra-Curricular Activities

The university encourages students to participate in a wide range of extra-curricular activities for overall personality development and a balanced student life. Events like **Manas Got Talent** provide a platform for students to showcase their talents in singing, dancing, writing, and other creative fields.

Sports events such as the **Jalalabad Premier League** for cricket, along with volleyball, football, and various indoor and outdoor games, are regularly organized to promote teamwork and fitness. The university also conducts academic olympiads, awareness day celebrations, and cultural programs throughout the year, creating an active, engaging, and vibrant campus life for students.

J
A
S
U

Indian Faculties

The entire medical course is taught in **English medium**. University provides experienced Indian faculty members who guide students according to the Indian medical curriculum and FMGE/NEXT exam pattern. The Indian teachers understand the needs of Indian students and help them with concepts, exam preparation, and doubt solving. Regular classes, revision sessions, and FMGE-focused teaching help students stay aligned with Indian medical standards. With the support of Indian faculty, students receive proper guidance, mentorship, and preparation for their medical career in India.

Hospital Practice

The university provides excellent hospital practice through its government-affiliated hospitals, ensuring real clinical exposure for students. From the second year onwards, students begin hands-on clinical training under the guidance of experienced doctors and supportive medical staff. Regular faculty visits and supervision ensure high standards of medical learning and clinical excellence. The hospitals are well-equipped with modern facilities, allowing students to gain practical knowledge, confidence, and real-world experience essential for their medical careers.

The university also provides a **1-Year Internship**  for Indian students according to NMC guidelines, ensuring that students do not face any issues after graduation from JASU and are well prepared for their medical careers in India.

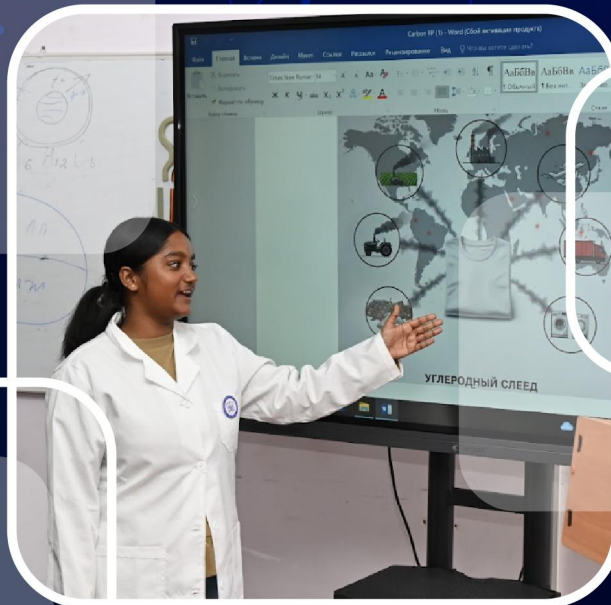

Ai Based Studies

The university has adapted to the new era of medical education by introducing AI-based learning and advanced simulation technologies for students. Pre-clinical training is supported through VR clinics and simulation centers where students can practice clinical procedures and patient interactions in a realistic virtual environment before entering real hospitals.

These simulation labs are designed to replicate real human body structures and clinical situations, helping students gain confidence, practical skills, and clinical decision-making experience in a safe learning environment. This modern approach ensures students are well-prepared for real patient interactions and modern medical practice.

Labs & Infrastructure

The university provides well-equipped and well-maintained laboratories to support practical medical education and research. Students have access to modern Microbiology labs, Anatomy labs with specimens and models, Organ Observatory, Clinical Laboratories, and Operation Theatre training facilities. All labs are designed to give students hands-on practical experience along with theoretical learning.

FMGE ACHIEVERS AWARD

FMGE Achievers Awards are organized across major cities in India to celebrate the success of our students. The university honors FMGE qualifiers for their hard work and dedication by recognizing their achievements on grand platforms. Students are rewarded with exciting prizes such as car gifts and many other rewards. These events motivate juniors and showcase the university's strong FMGE results and commitment to student success.

Eligibility Criteria

Academic Qualification

have passed 10+2 with PCB (Physics, Chemistry, Biology) and English, securing a minimum of 50%

NEET Exam

Mandatory qualifying NEET score (valid for 3 years).

Age

Minimum 17 years by 31st December of the admission year.

Documentation

Valid passport, completed higher secondary certificate (legalized), and medical fitness certificate (including HIV-free report).

Rules & Regulations

23.

- Minimum 80% attendance is mandatory.
- Permission required before leaving city or country.
- Decent dress code must be followed.
- Ragging is strictly prohibited.
- ID card must be carried at all times.
- Respect faculty, staff, and fellow students.
